## Welcome Back!!

For the first time, MHS Floral Design, will be making arrangements for those families, teachers, staff as well as the community members that want to participate in the "Floral Club".

On the following page you will find an order form to fill out, please place it along with your check in an envelope and drop it in my (Karen Jones)box or you can take your check directly to the ASB Controller (Tina Rockwell), attach your receipt to your order form.

Please make sure the check is made out to MHS Floral Design.

We pride ourselves in training students for a career in the floriculture industry, and work hard in producing QUALITY work for a fraction of the florist cost!

Each holiday we will also let you know what specials the floral class will be doing. We will try to have a few options for each holiday, in hopes you will chose us to fulfill your needs.
