NOTES:

- Agriculture Teacher/FFA Advisor: Katelynn Ramos, Karen Jones, Clayton Croman
- 2024-2025 **Chapter Officers** are President Eva Welsh, Vice President Kayla Ricetti, Secretary Chesnie Henry, Treasurer CJ Green, Sentinel Caden Gotz & Reporter Demetrius Roberson
- **Middletown FFA Chapter is an intracurricular Youth Leadership Organization that all students enrolled in Agriculture Education have the opportunity to get involved with.**
- All students enrolled in agriculture education classes in California need to meet the leadership development State standards. At MHS, students are required to do leadership development or community service activities per trimester (3 per trimester) as part of their homework assignments. Participating in any of the events or activities on this sheet counts for this assignment, among many others announced in classes by the Agriculture teachers.
- The Middletown FFA Chapter is part of the Mendo-Lake Section within the North Coast Region of the California Association of the National FFA Organization. *(FFA is the LARGEST Youth Leadership Organization in the country!)*

- During class, our students will be asked to complete community service projects on Main Street, Middletown or other local areas. We work with many local organizations in the community. These hours count for AET and the High School Community Service Requirement.
- CDE = Career Development Events (i.e. Farm Power, Vet Science, Ag Mechanics, Floriculture, Welding, Grapevine Pruning & Judging, Etc.)
- LDE = Leadership Development Events (i.e. Public Speaking such as Opening and Closing Recitation, Creed Recitation, Impromptu, Prepared, Extemporaneous; and Test-based Contests such as BIG and Co-Op Marketing)

FFA Mission

“FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.”

FFA Motto

Learning to Do, Doing to Earn, Earning to Live, Living to Serve
